I do not pinch, hurt, or cramp.
I do not let your feet get damp.
I always strive to keep you alive.
Because I fit your toes—all five.
Don't go elsewhere and pay much more.
But come to Berberich's Great Shoe Store.
I do not pinch. I do not cramp.
RUTH COLSTON,
1205 You St. N. W.

The Christmas rush is now on.
At Berberich's you can see
The Kubic Kids are delivering
The Educator shoe with ease.
It is almost Christmas time.
And at Berberich's you will find
Educator or some other they've got
For any one of your toys.
Bring all of the kids you have got
And let us fit them neat.
You can tell good shoes on the spot
By glancing at their feet.
HARRY S. JACKSON, Jr.,
220 N. Fairfax St., Alexandria, Va.

The Kubic Kids and I went shopping the other day.
A pair of shoes to buy; oh, say!
I spied one of Berberich's stores and an Educator shoe.
And now I am telling everyone what I already knew:
The Educator is the best shoe I know:
There is room inside for your foot also every toe.
MARIAN ALLEN,
1248 Linden St. N. E.

I am going to Berberich's to get a pair of Educator shoes;
They are good enough for me and good enough for you.
If these shoes you will wear, you will have no corns or bad shaped feet.
As you walk around the street.
E. DONALD MILLER,
225 New York Ave. N. W.

If ever you think of buying some shoes
For the Kubic Kids that romp and roam,
Go to Berberich's and get the finest in town;
That will hold the Kubic Kids down.
They never tear or break and will outwear any other kind.
That is in the town
This Christmas time.
HOWARD LAONHARDT,
462 F St. S. W.

Berberich's shoes
Are so tidy and neat,
Big enough for any feet;
So comfortable and nice
That you could play dice
In Berberich's shoes all night.
ROY GRANT,
635 A St. N. E.

For tots' feet,
So pretty and neat,
At Berberich's you will find
Your favorite kind;
So bear in mind
That Berberich's up to time.
JAMES PRUETT,
310 13th St. S. W.

The best of shapes are Berberich's make,
For young and old is untold.
But for ease you will be pleased,
Try them on, they're good and strong:
Berberich's is the place to buy,
And do not let the time go by.
Buy today and do not wait,
For if you do you will be too late.
As Christmas is approaching fast,
So ask Santa to bring you a pair while they last.
EVELYN GLAIZE,
1243 Penn. Ave. S. E.

Just let the kiddies skip and romp.
While Educator Shoes they wear;
No matter how they play and jump,
Their shoes will stand the wear and tear.
You know they're built on nature's lines,
With comfort all inside of them;
That children's feet should E. Z. B.
With room for toes just counting ten.
FREDERICK BAUMANN,
175 V St. N. E.

Do you know why these Kids
Are running so fast?
They have found the best shoe store
In the city at last.
They are all going there
To buy the best footwear.
Guess where?
At Berberich's!
RAYMOND BRYAN,
914 First St. N. W.

If you would be real full of glee
And enter into society
You must then be neat and sweet.
Be sure and wear Educators on your feet.
There is room inside, though feet may be wide,
They neither heel nor toe will chide;
They are fine for girls and fine for boys,
Better far than loads of toys.
J. RICHARD MCCONNELL,
666 E St. N. E.

Wise parents, bear in mind,
The Educator shoe is not hard to find.
And should be purchased in the nick of time
At Berberich's store, on the very first floor.
Your children's feet will grow perfect and neat,
Omitting bunions, corns, and deformed feet.
The Educator shoe is leather,
Will endure bad weather,
And protect your children's health.
Which may bring them wealth.
Then, think in time to get the Educator kind.
For all is well that wears well.
Consult Berberich, at 1122 7th St., and he will tell
It would be dandy,
And would be handy
For Santa to bring each girl and boy
A pair of Educator shoes instead of a toy.
SARAH COLE,
124 Q St. N. W.

All people, please
Look here with ease:
Write upon your slates,
The foot of shapes
For all kiddies feet
That look so neat.
At Berberich's you'll find
Your child's favorite kind.
JACOB BANDAROFF,
1146 21st St. N. W.

The Educator Shoe you must admit
Is shaped just right and bound to fit
Your feet though wide or fat or thin.
Will find there's lots of room within.
And when they've worn a month or two,
They will not rip as others do.
AGNES SKINNER,
1242 E St. S. E.

Oh, look here, boys, if you want to see the very best shoe to wear,
Just take a ride down to Berberich's store and see what they have there.
I see by The Times that the Kubic Kids have been down there again,
And that the Educator shoe is the best for all little school boys "men."
I know the Kids are perfectly right, for I have worn those shoes,
And you will think that they're mighty swell if you a pair will choose.
DWIGHT SMILEY,
2106 F St. N. W.

Mother said, "You little dear,
A pair of shoes you need;
We'll find the little Kubic Kids
And let them take the lead.

"They will take us where we find the styles,
And comfort is the boss.
Just think, my little darling,
The bargains we have lost.

"They will fit your little footies
And make them look so neat,
That you would think that dear old Santa
Had brought to you new feet.

"But, mother dear," I ask her,
"Where will the Kids take us?"
"Why, Berberich's, child, you foolish thing.
Where quality and prices are honest, fair and just."

SELA MARIE JOHNSON,
1296 B St. S. W.

EDUCATOR SHOES

Are Preferred By Children and Their Parents

Parents like them because EDUCATORS are Stylish, Serviceable, and Sensible.

Kiddies like them because EDUCATORS feel so comfy, and they do not show the hard knocks that they get during the day to father and mother at night. They are good, true pals and give out a full money's worth of service before they are ready to be discarded.

For I have the Educator Shoe on my feet.
Off to school in rain or snow
Berberich's Shoes are the kind, you know.
That make your feet look comfortable and neat
And attract the attention of those on the street.
HELEN V. BRADLEY,
209a Bates St. N. W.

The Educator Shoe was made for you.
Now, listen to me, for what I say is true;
There's room for heel and every toe,
But there isn't a place for corn or bunion to grow.
ARNOLD BARNETT,
1242 Jackson St. N. E.

My shoes are worn out,
So I'll get about
And see which is the route.
Berberich's Store is a store, for sure,
Where people's money ought to go.
If you go there,
They will treat you fair.
They are soft and neat.
They sure are a treat.
When you are walking down the street.
If all people go there,
They will want another pair.
NORMAN H. FOSTER,

Oh! the Kubic Kids are all fitted out
With Berberich's Shoes so strong and stout.
No better shoes could they have found,
If they had hunted the town around.
This great big store so fine, indeed,
Will furnish you with the shoes you need.
The best of quality, just the right size,
Showing the Kubic Kids were very wise.
HELEN MAE ROAKES,
1842 North Capitol St.

Educator Shoes, you see,
Were made especially for me;
For running here and there all day
Sure makes the leather wear away.
But, thanks to Berberich's, I've found
A shoe that beats them all in town.
Not only in the way they last
But in looks they are some class.
JAMES GILSON,
1024 Massachusetts Ave. N. E.

I am Susan so prim and neat,
I have just been to Berberich's to treat my feet.
At school they attract a lot of attention,
Because I walk without pain or tension.
Tell your mother, why don't you,
To buy you a pair of Educator Shoes.
Then you will be noticed too.
C. F. HOLMES,
320 Tea St. N. W.

One day in summer me and cousin Tim
Went on a hike up the steep mountain hills.
We went so high that Cousin Tim lost his shoes,
And began to cry so loud that he almost burst.
When we arrived at the next town our shoes were
Almost worn out;
But when we saw a sign that shines
So bright that we might have said it was "Berberich's Shoes" store.
We went in and bought our shoes in the best of
shapes for all kids' feet;
At Berberich's we'll find this favorite kind to
please you more.
